Principal Director, Enterprise Services

DISA

DISA MISSION PARTNER CONFERENCE
2012

Global Content Delivery Capacity Services

- **GCDS Objective:** Obtain global content delivery and end user performance monitoring as a capacity service
 - Includes delivery at the “edge” of the network
 - Includes end user performance and availability monitoring at DISA-approved locations
- **Capacity Services:** Capacity Service contracts provide scalable capability utilizing an on-demand service approach for GIG Content Delivery Services, with vendor owned/maintained equipment, that readily scale to meet the Government’s requirements (increases and decreases), and is priced on a utility ("as used") basis or tiered structure.

GCDS (continued)

- **Anticipated Start Date** – 2nd Quarter, FY14
- **Predecessor Contracts** – HP Capacity Services (HC1013-07-D-2004)
- **Anticipated Small Business Involvement** – Full and Open Competition; a Subcontracting Plan required from Large Businesses
- **Anticipated Contract Type** – Firm-Fixed Price, Indefinite Delivery/Indefinite Quantity (IDIQ), Single Award
- **Potential Task Order Awards** – TBD

Technical & Application Support Services BPA

- **BPA Objective:** Provide overarching technical support at all DISA-approved computing locations in the Continental United States (CONUS)
 - Supplement existing support contracts
 - Provide short-term & surge support
 - Obtain and deploy critical manpower resources in shorter timeframes
- **Anticipated Start Date** – 4th Quarter, FY12
- **Predecessor Contracts** – None
- **Anticipated Small Business Involvement** – Competitive-TBD
- **Anticipated Contract Type** – Firm-Fixed Price, Multiple Award BPA
- **Potential Task Order Awards** – TBD

Enterprise Storage Solution Capacity Services

- **ESS Objective:** Obtain dynamically scalable storage capability at all DISA-approved locations both in the continental United States and outside the continental United States (CONUS and OCONUS)
 - Utilize an “on demand” capacity service approach for new equipment
 - Provider will acquire, install, de-install, transport, configure, maintain, and provide all necessary hardware (including cabinets/racks/cabling/cable management/PDUs), related software and services
 - Government will maintain day-to-day operational control
 - Pricing on a utility ("as used") basis or tiered structure.

ESS II (Continued)

- **Anticipated Start Date** – 2nd Quarter, FY13
- **Predecessor Contracts** – ViON Corp Capacity Services (HC1013-07-D-2009)
- **Anticipated Small Business Involvement** – Full and Open Competition, with Subcontracting Plan required
- **Anticipated Contract Type** – Firm-Fixed Price, Indefinite Delivery/Indefinite Quantity (IDIQ), Single Award
- **Potential Task Order Awards** – TBD

Collaboration Follow-on

- **Objective:** Provide a successor to Direct Connect Online (DCO) Capabilities
 - Government intends to create a successor to DCO with similar sets of capabilities
 - Government plans to contract for operations and maintenance support for Government owned capability
- **Anticipate start date:** 4th Qtr FY13
- **Predecessor Contract:** None
- **Anticipated Small Business Involvement:** Market Research underway
- **Anticipated Contract Type:** TBD

DoD Enterprise Content Management Service (DECMS)

- **Objective:** Provide a Enterprise Wide Content Management and Records Management service for DoD users
 - Will integrate with DoD Enterprise Portal Service (DEPS) for knowledge management and provide standalone services
 - Will provide a DoD 5015 compliant records management service
- **Anticipate start date:** 4th Qtr FY13
- **Predecessor Contract:** None
- **Anticipated Small Business Involvement:** Market Research underway (RFI/RFP – release TBD)
- **Anticipated Contract Type:** TBD

Mobility Application Store (MAS) Mobility Device Manager (MDM)

- **MAS/MDM Objective:** Provide a Enterprise Wide Mobile Applications Store and Mobile Device Manager for DoD users
- **Anticipated start date:** 4th Qtr FY12
- **Anticipated Small Business Involvement:** Market Research underway
- **Anticipated Contract Type:** TBD
