

PRIVACY IMPACT ASSESSMENT (PIA)

PRESCRIBING AUTHORITY: DoD Instruction 5400.16, "DoD Privacy Impact Assessment (PIA) Guidance". Complete this form for Department of Defense (DoD) information systems or electronic collections of information (referred to as an "electronic collection" for the purpose of this form) that collect, maintain, use, and/or disseminate personally identifiable information (PII) about members of the public, Federal employees, contractors, or foreign nationals employed at U.S. military facilities internationally. In the case where no PII is collected, the PIA will serve as a conclusive determination that privacy requirements do not apply to system.

1. DOD INFORMATION SYSTEM/ELECTRONIC COLLECTION NAME:

Tactical Data Link (TDL) Configuration Management Tool (TCMT)

2. DOD COMPONENT NAME:

Defense Information Systems Agency

3. PIA APPROVAL DATE:

3/15/2022

SECTION 1: PII DESCRIPTION SUMMARY (FOR PUBLIC RELEASE)

a. The PII is: (Check one. Note: foreign nationals are included in general public.)

- From members of the general public From Federal employees and/or Federal contractors
- From both members of the general public and Federal employees and/or Federal contractors Not Collected (if checked proceed to Section 4)

b. The PII is in a: (Check one)

- New DoD Information System New Electronic Collection
- Existing DoD Information System Existing Electronic Collection
- Significantly Modified DoD Information System

c. Describe the purpose of this DoD information system or electronic collection and describe the types of personal information about individuals collected in the system.

The purpose of TCMT manages configuration baselines, produces TDL standards releases, and provides a guided user experience for consistent processing and tracking the impacts to previously released TDL products.. Only users with an approved CAC can authenticate access to the TCMT using the persons partial EDI Person Identifier (EDIPI) which is then hashed. Any data breach will not reveal even a portion of the EDIPI as it is encrypted and cannot be correlated back to a user.

d. Why is the PII collected and/or what is the intended use of the PII? (e.g., verification, identification, authentication, data matching, mission-related use, administrative use)

The hashed partial EDIPI is used to facilitate identification of an authorized user when logging into the system.

e. Do individuals have the opportunity to object to the collection of their PII? Yes No

(1) If "Yes," describe the method by which individuals can object to the collection of PII.

(2) If "No," state the reason why individuals cannot object to the collection of PII.

The hashed partial EDIPI is required to facilitate access identification of an authorized user.

f. Do individuals have the opportunity to consent to the specific uses of their PII? Yes No

(1) If "Yes," describe the method by which individuals can give or withhold their consent.

(2) If "No," state the reason why individuals cannot give or withhold their consent.

The hashed partial EDIPI is required to facilitate access identification of an authorized user.

g. When an individual is asked to provide PII, a Privacy Act Statement (PAS) and/or a Privacy Advisory must be provided. (Check as appropriate and provide the actual wording.)

- Privacy Act Statement Privacy Advisory Not Applicable

h. With whom will the PII be shared through data exchange, both within your DoD Component and outside your Component? (Check all that apply)

- Within the DoD Component Specify. DISA
- Other DoD Components Specify.
- Other Federal Agencies Specify.
- State and Local Agencies Specify.
- Contractor (Name of contractor and describe the language in the contract that safeguards PII. Include whether FAR privacy clauses, i.e., 52.224-1, Privacy Act Notification, 52.224-2, Privacy Act, and FAR 39.105 are included in the contract.) Specify.
- Other (e.g., commercial providers, colleges). Specify.

i. Source of the PII collected is: (Check all that apply and list all information systems if applicable)

- Individuals Databases
- Existing DoD Information Systems Commercial Systems
- Other Federal Information Systems

j. How will the information be collected? (Check all that apply and list all Official Form Numbers if applicable)

- E-mail Official Form (Enter Form Number(s) in the box below)
- Face-to-Face Contact Paper
- Fax Telephone Interview
- Information Sharing - System to System Website/E-Form
- Other (If Other, enter the information in the box below)

k. Does this DoD Information system or electronic collection require a Privacy Act System of Records Notice (SORN)?

A Privacy Act SORN is required if the information system or electronic collection contains information about U.S. citizens or lawful permanent U.S. residents that is retrieved by name or other unique identifier. PIA and Privacy Act SORN information must be consistent.

- Yes No

If "Yes," enter SORN System Identifier

SORN Identifier, not the Federal Register (FR) Citation. Consult the DoD Component Privacy Office for additional information or <http://dpcl.d.defense.gov/Privacy/SORNs/>
or

If a SORN has not yet been published in the Federal Register, enter date of submission for approval to Defense Privacy, Civil Liberties, and Transparency Division (DPCLTD). Consult the DoD Component Privacy Office for this date

If "No," explain why the SORN is not required in accordance with DoD Regulation 5400.11-R: Department of Defense Privacy Program.

PII is not being collected within the TCMT system. The EDIPI is used for authentication purposes only.

l. What is the National Archives and Records Administration (NARA) approved, pending or general records schedule (GRS) disposition authority for the system or for the records maintained in the system?

(1) NARA Job Number or General Records Schedule Authority. DAA-GRS-2013-0006-0003

(2) If pending, provide the date the SF-115 was submitted to NARA.

(3) Retention Instructions.

Destroy 1 year(s) after user account is terminated or password is altered or when no longer needed for investigative or security purposes, whichever is appropriate.

m. What is the authority to collect information? A Federal law or Executive Order must authorize the collection and maintenance of a system of records. For PII not collected or maintained in a system of records, the collection or maintenance of the PII must be necessary to discharge the requirements of a statute or Executive Order.

- (1) If this system has a Privacy Act SORN, the authorities in this PIA and the existing Privacy Act SORN should be similar.
- (2) If a SORN does not apply, cite the authority for this DoD information system or electronic collection to collect, use, maintain and/or disseminate PII. (If multiple authorities are cited, provide all that apply).

- (a) Cite the specific provisions of the statute and/or EO that authorizes the operation of the system and the collection of PII.
- (b) If direct statutory authority or an Executive Order does not exist, indirect statutory authority may be cited if the authority requires the operation or administration of a program, the execution of which will require the collection and maintenance of a system of records.
- (c) If direct or indirect authority does not exist, DoD Components can use their general statutory grants of authority ("internal housekeeping") as the primary authority. The requirement, directive, or instruction implementing the statute within the DoD Component must be identified.

The following authority allows Tactical Data Link (TDL) Configuration Management Tool (TCMT) to collect the data:

10 U.S.C. Chapter 8-Defense Agencies and Department of Defense Field Activities;
DoD Directive (DoDD) 5105.19, Defense Information Systems Agency (DISA);
DoD Directive 1000.25, DoD Personnel Identity Protection (PIP) Program;
DoD Enterprise User Data Management Plan for Persons and Personas;
DoD Global Information Grid 2.0 Concept of Operations (GIG 2.0 CONOPS);
DoDI 5200.46-DoD Investigative and Adjudicative Guidance for Issuing the Common Access Card (CAC);
DoDI 8520.03-Identity Authentication for Information Systems.

n. Does this DoD information system or electronic collection have an active and approved Office of Management and Budget (OMB) Control Number?

Contact the Component Information Management Control Officer or DoD Clearance Officer for this information. This number indicates OMB approval to collect data from 10 or more members of the public in a 12-month period regardless of form or format.

Yes No Pending

- (1) If "Yes," list all applicable OMB Control Numbers, collection titles, and expiration dates.
- (2) If "No," explain why OMB approval is not required in accordance with DoD Manual 8910.01, Volume 2, "DoD Information Collections Manual: Procedures for DoD Public Information Collections."
- (3) If "Pending," provide the date for the 60 and/or 30 day notice and the Federal Register citation.

The hashed partial EDIPI from authorized users is not a public information collection as the system is also not publicly available. It is exempted under DoDM 8910.01 Volume 2 under section 8.b.(11) "Collections of information from DoD civilian employees within the scope of their employment (includes all the tasks performed to accomplish the job they perform for the OSD or DoD Component)"
