Longer retention is authorized if required for business use for this disposition authority. Disposition is 10 years after the final invoice or Intra-Government Payment and Collection or other similar documentation. Note: This is an increase over the NARA six year minimum retention standards for these record types. To support the beginning balances in the Department's Fiscal Year 2018 financial audit, documentation from greater than six years prior will be required. Thus, documentation must be retained for 10 years, the life of our longest lived (non no-year) funding.
